Sir:

REQUEST FOR RECONSIDERATION

Responsive to the Official Action dated May 2, 2006, Applicants respectfully request reconsideration. Because this is the fourth, non-final action and because the applied prior art in this office action is no more relevant than previously applied and withdrawn, Applicants respectfully request that a notice of allowance be issued.

Claims 1, 3-5, 8, 9, 12-14, 16, 18-21, 24, 25-28, 30-36 stand rejected under 35 U.S.C. §102 as being anticipated over U.S. Patent 6,356,531 to Soliman. This rejection is respectfully traversed.

To establish that a claim is anticipated, the Examiner must point out where each and every limitation in the claim is found in a single prior art reference. *Scripps Clinic &*
